**NEW HAMPSHIRE DEPARTMENT OF REVENUE ADMINISTRATION
INTEREST AND DIVIDENDS TAX RETURN
GENERAL INSTRUCTIONS**

COMMON ERRORS

The following is a list of the most common mistakes made by taxpayers when filing a New Hampshire Interest and Dividends Tax return. These, along with other errors, may cause the return to be considered an "incomplete return" which may result in the assessment of interest and penalties. To ensure that you have filed a complete return, carefully follow the general and line-by-line instructions and be sure you have done the following:

- Have you signed and dated the return in blue or black ink? (Rev 2904.04)
- If this is a joint return, has your spouse/CU Partner included his/her social security number, signed and dated the return in blue or black ink?
- If there is a balance due of \$1.00 or greater, have you enclosed a check for the total amount due?
- Did you make the check payable to the State of New Hampshire?
- Is the written amount on the check the same as the numeric amount?
- Have you signed and dated the check?
- Have you enclosed both pages of Form DP-10?
- Did you mistakenly send a payment in the amount of your credit or refund? If you would like to make an additional payment, use Form DP-10-ES

WHO MUST FILE A RETURN

INDIVIDUALS: Individuals who are residents or inhabitants of New Hampshire for any part of the tax year must file providing they received more than \$2,400 of gross taxable interest and/or dividend income for a single individual or \$4,800 of such income for a married couple filing a joint New Hampshire return. (Part-year residents see below.)

To determine whether a return must be filed, you should complete Page 2, Lines 1 - 7. If the amount on Line 7 is \$0 or less you are not required to file an Interest and Dividends Tax Return.

PARTNERSHIPS, LLC's, ASSOCIATIONS, TRUSTS AND FIDUCIARIES: See separate tables in this booklet regarding "WHO" and "WHAT" is taxable.

JOINT FILERS: To ensure your payments are credited to your account, the sequence of names and social security numbers must be consistent on all Interest and Dividends Tax estimates, extensions and returns.

RECOGNITION OF CIVIL UNION (CU PARTNERS): Effective January 1, 2008, New Hampshire recognizes civil unions. RSA 457-A: Parties who enter into civil unions are entitled to all the rights and subject to all the obligations and responsibilities provided for in state law that apply to parties who are joined together under RSA 457. "CU Partner" means Civil Union Partner.

PART YEAR RESIDENT

For New Hampshire Interest & Dividends Tax purposes, a "part year resident" is someone who has permanently established residency in New Hampshire during the year or who has permanently abandoned residency in New Hampshire during the year.

If you **established** residency after January 1st of this tax period check the "Initial Return" box and enter the date of residency in Step 2. If you **abandoned** residency during the year, check the "Final Return" box and enter the date in Step 2.

A temporary absence for any length of time does not change your state of residency. If you are unsure whether you are a resident of New Hampshire, call the Central Taxpayer Services (603) 271-2191, Monday through Friday, 8:00 a.m. to 4:30 p.m.

Only the interest and dividend income earned during that portion of the year for which they were a New Hampshire resident is taxable. Part-year residents are entitled to the full \$2,400 exemption (or \$4,800 for joint filers) and the full amount for the exemptions shown on Line 8 of the return. Part-year residents must file a return if, during the entire year, their adjusted taxable income was over \$2,400 (or over \$4,800 for joint filers).

WHEN TO FILE

Calendar Year: If your return is based on a calendar year, it must be postmarked on or before April 15th, unless the 15th is a weekend or a recognized State holiday, it will be due on the next business day. **Fiscal Year:** If your return is based on a taxable period other than a calendar year, it must be postmarked on or before the 15th day of the fourth month following the end of your taxable period.

WHERE TO FILE

MAIL TO: NH DRA (NH DEPT OF REVENUE ADMINISTRATION)
PO BOX 2072
CONCORD NH 03302-2072

FORMS MAY NOT BE FILED BY FAX**EXTENSION TO FILE**

New Hampshire does not require taxpayers to file an application for an automatic 7-month extension of time to file provided that the taxpayer has paid 100% of the Interest and Dividends Tax determined to be due by the due date of the tax.

If you need to make an additional payment, you may file a Form DP-59-A along with the payment or e-file your payment on-line at www.nh.gov/revenue. This application and payment must be postmarked on or before the due date of the tax. Failure to pay 100% of the tax due by the original due date will result in the assessment of interest and may result in the assessment of penalties. You are not required to attach a copy of your federal extension to your return.

CONFIDENTIAL INFORMATION

Tax information which is disclosed to the New Hampshire Department of Revenue Administration is held in strict confidence by law. The information may be disclosed to the United States Internal Revenue Service, agencies responsible for the administration of taxes in other states in accordance with compacts for the exchange of information, and as otherwise authorized by New Hampshire RSA 21-J:14.

SOCIAL SECURITY NUMBERS

Disclosure of social security numbers is mandatory under Department of Revenue Administration rule Rev 2903.02. This information is required for the purpose of administering the tax laws of this state and authorized by 42 U.S.C.S. § 405 (c)(2)(C)(i).

The failure to provide social security numbers may result in a rejection of a return or application. The failure to timely file a return or application complete with social security numbers may result in the imposition of civil or criminal penalties, the disallowance of claimed exemptions, exclusions, credits, deductions or adjustments that may result in increased tax liability.

AMENDED RETURNS

If you discover an error was made on your return after it has been filed, an amended New Hampshire return should be promptly filed by completing a corrected Form DP-10 and by checking the "AMENDED" box in Step 2 on the return. New Hampshire does not have a separate form for amended returns.

ROUNDING

Money items on all Interest and Dividends Tax forms may be rounded off to the nearest whole dollar.

REPORT OF CHANGE

To report a change to your Interest and Dividends Tax Return for years 1994 to present, (which resulted from a federal audit) file a separate report of change, Form ROC-DP-10, for each year. To report a change for taxable periods prior to 1994 contact the Department for the appropriate forms and instructions. To file a report of change on an Interest and Dividends Tax return, you will need to use the federal adjustment and a copy of your return as originally filed or previously adjusted. When filing the completed ROC-DP-10, you must sign in ink and include the IRS form reporting the change. Follow the line by line instructions when filling out the report of change. An incomplete ROC will not be accepted.

Therefore, do not include any pass-through gains or losses from Federal Schedule K-1.

List on Line 2 any taxable annuities or the actual cash or property distributions you received or constructively received from "S"

corporations, partnerships with transferable shares, trusts or estates with transferable shares. These distributions are subject to tax in New Hampshire as a "dividend". REASON CODE	REASON
1.....	Direct US government obligations.
2.....	New Hampshire municipal bond.
3.....	Long or short term capital gains included in Line 3.
4.....	Individual retirement account/Keogh plans/other exempt retirement plans.
5.....	Liquidating distributions.
6.....	100% of K-1 interest or dividend income from a partnership/trust with non-transferable shares which <u>is</u> subject to I&D tax.
7.....	A portion of interest or dividend income from a partnership/trust with non-transferable shares which <u>is not</u> subject to I&D tax.

10.....	Distributive share of the entity's interest or dividend income indicated on Schedule K-1 and included in the partner, beneficiary or shareholder's federal income tax return.
11.....	Return of capital.

REASON CODE 7 CALCULATION: Example: a resident/inhabitant receives a \$5,000 distribution from a partnership that has no usual place of business in New Hampshire and the Partnership has non-transferrable shares or from a fiduciary that is not a New Hampshire trust and the Fiduciary has non-transferrable shares.

The partnership or fiduciary's total gross income is \$100,000 and its interest and dividend income is \$10,000.
The amount of the distribution that is non-taxable to the resident is \$4,500;
 $\$100,000 - \$10,000 = \$90,000 / \$100,000 \times \$5,000$.

Line 4(d) PART-YEAR RESIDENT NON-TAXABLE PRO RATA SHARE: A part-year resident is a resident who established or abandoned residency during the year. Part-year residents may prorate interest and dividends income. Individuals filing as part-year residents may deduct the amount of taxable income earned while not a resident of New Hampshire. To determine the annual taxable income for the prorata share calculation, subtract Line 4(c), the subtotal of non-taxable income from Line 3, then apply the following calculation to that figure to determine the amount to enter on Line 4(d), part-year resident prorata share.

Enter the total of Line 4(c) plus Line 4(d) on Line 4. Annual taxable income x number of days a Non-New Hampshire Resident

NEW HAMPSHIRE DEPARTMENT OF REVENUE ADMINISTRATION
INTEREST AND DIVIDENDS FREQUENTLY ASKED QUESTIONS

Q: Are liquidating dividends taxable?

A: No.

Q: My spouse lives in another state, do I have to file a joint return?

A: No. If one spouse is not a resident, the resident spouse shall file a return alone and report his or her interest and dividend income, and 50% of the interest and/or dividends from jointly held investments.

Q: What factors are used to determine if I am a resident of New Hampshire?

A: Factors include, but are not limited to: Do you maintain a home, spending a greater percent of time in New Hampshire than elsewhere; Have you advised a state or local agency you are a resident; Are you registered to vote in New Hampshire; Are you licensed to drive in New Hampshire. Refer to the Department's administrative rules, Chapter Rev 900.

Q: Do I have to report portfolio income, gains and losses?

A: Yes, you must report your portfolio income, gains and losses in Page 2, Line 2 of the New Hampshire Interest and Dividend Tax return, but then you deduct them on Page 2, Line 4.

Q: Are distributions taxable?

A: All distributions, whether actual or constructive, (including non-cash distributions) from all corporations are taxable by New Hampshire regardless of the original source of the income.

Partnerships, LLC's, Associations, Trust or Estates: Does the organization have transferable shares? (Can you freely transfer your shares without causing a dissolution of the organization or without obtaining prior member approval?) If yes, your entire ACTUAL distribution from this organization is taxable. If so, all of your actual and constructive receipt of distributions (including non-cash distributions) from this entity are taxable by New Hampshire regardless of the original source of the income.

If the organization is not required to file its own New Hampshire Interest & Dividends Tax return AND the organization has non-transferable shares, then any distribution you received is taxable to you as if it had come from its original source. The interest and dividend tax is imposed on the portion of the distribution which represents interest and dividend received by the entity. Therefore, a portion of the distribution you received is taxable to you. The taxable portion is determined by multiplying the amount of the actual distribution received by a fraction. The numerator is the total interest and dividend income received by the entity. The denominator is the total amount of gross income received by the entity.

Q: Is interest and dividend income from College Investment Savings Plans taxable?

A: No, qualified interest or dividend income from a College Investment Savings Plan is not taxable.

Q: Why did I receive a New Hampshire Form 1099-G and what should I do with it?

A: The NHDRA is required by the Internal Revenue Service to notify any non-corporate taxpayer by January 31, of activity in the prior year that was a refund, credit or offset of taxes based on income. If a refund is indicated you will have received a corresponding check. A credit is an overpayment which is applied to another tax period. An offset is an overpayment that is applied to a tax notice. We must also provide the information to the IRS, and you may be required to report all or part of the amount of the New Hampshire Form 1099-G as income on your federal return. Give the form to your preparer, if you have one; or review the instructions in your federal tax booklet for the proper federal treatment.

NOTE

Effective January 1, 2004 if the Interest and Dividend tax for the current taxable period is less than \$500 do not complete this form. If you made late partial estimated tax payments, or if this form does not adequately provide instructions for payments you have made, contact Central Taxpayer Services at (603) 271-2191. Individuals with hearing or speech impairments may call TDD Access: Relay NH 1-800-735-2964.

PART I - FIGURE YOUR UNDERPAYMENT

LINE 3(a)

For Interest and Dividends calendar year filers, fourth quarter estimates are due January 15, 2010.

LINE 3(c)

Enter in Columns A through D the amount of Line 2 multiplied by Line 3(b).

LINE 4

Enter only the estimated amounts paid timely. Any amounts paid after the specified date [Line 3(a)] should be entered in the next quarter.

LINE 5

Enter any overpayment computed on Line 7 for the previous period. For example, Line 5 Column B will correspond to Line 7 column A.

LINE 8

If Line 8 shows an underpayment, and you do **not** meet an exception for that quarter, then you must compute the penalty. If there is no underpayment in Columns A through D, you need not complete the remainder of this form.

PART II - EXCEPTIONS TO PENALTY

LINE 9

For Interest and Dividends calendar year filers due dates are April, June, September and January; fourth quarter estimates are due January 15, 2009. All other filers: 15th day of the 4th, 6th, 9th, and 12th month of your tax period.

LINE 11

Exception pursuant to RSA 21-J:32, IV(a) - Prior period's tax. The prior year must have been a full twelve months and there must have been a tax liability. Multiply the annual **tax** paid in the previous year by the percentage shown in the boxes on Line 10, Columns A through D to calculate the exception amounts. If the amounts shown on Line 9, Columns A through D are greater than or equal to Line 11 corresponding columns A through D, you qualify for exception (a). Do not complete Part III for any column in which you qualify for exception (a).

LINE 13

Exception pursuant to RSA 21-J:32, IV(b) - Prior year's tax base and facts using current period tax rate. Multiply your prior year taxable base by the current tax rate to arrive at an adjusted tax. Multiply the adjusted tax by the percentage shown in the boxes on Line 12, Columns A through D to calculate the exception amounts. If the amounts shown on Line 9 Columns A through D are greater than or equal to Line 13 corresponding Columns A through D, you qualify for exception (b). Do not complete Part III for any column in which you qualify for exception (b).

LINE 15

Exception pursuant to RSA 21-J:32, IV(c) - Annualized Income. This exception may be applicable to taxpayers experiencing periodic fluctuations in income. This exception applies if the estimated tax paid was 90% or more of the amount the taxpayer would owe if its estimated tax was figured on an annualized basis for the months preceding an installment date.

A taxpayer may annualize its income as follows:

(a) For the first 3 months, if the installment was required to be paid in the 4th month.

(b) For the first 3 months or the first 5 months, if the installment was required to be paid in the 6th month.

(c) For the first 6 months or for the first 8 months, if the installment was required to be paid in the 9th month.

(d) For the first 9 months or for the first 11 months, if the installment was required to be paid in the 12th month.

To annualize, divide the taxable base for the period by the number of months in the period (3,5,6,8,9, or 11, as the case may be) then multiply the result by 12. Multiply the result by the current year's tax rate. Multiply the result of the preceding calculation by the percentage shown in the boxes on Line 14, Columns A through D to calculate the exception amount. Do not complete Part III for any column in which you qualify for exception pursuant to RSA 21-J:32, IV(c).

If you qualify for the exception, pursuant to RSA 21-J:32, IV(c), you must attach a schedule to this form showing the annualized income computations.

PART III - COMPUTE THE PENALTY

LINES 16 & 22

Complete Lines 16 through 21 for each quarter for which there was an underpayment of estimated tax and no exception to the penalty was met.

For the number of days indicated on Line 18, determine the number of days from installment due date to 12/31/08 and after 12/31/08. Include the amounts in the calculation shown on Lines 19 and 20.

NOTE: The interest rate is recomputed each year under the provisions of RSA 21-J:28, II. Applicable rates are as follows (contact the department for applicable rates for any other years):

<u>PERIOD</u>	<u>RATE</u>	<u>DAILY RATE DECIMAL EQUIVALENT</u>
1/1/2009 - 12/31/2009	7%	.000192
1/1/2008 - 12/31/2008	10%	.000273
1/1/2007 - 12/31/2007	10%	.000274
1/1/2006 - 12/31/2006	8%	.000219
1/1/2005 - 12/31/2005	6%	.000164
1/1/2004 - 12/31/2004	7%	.000191

CALCULATION:

Tax Due X number of days from the installment due date to the date on Line 17 x Daily Rate Decimal Equivalent. The sum of days allocated between Lines 19 and 20 must equal the total days on Line 18.
